

tesseract\_common::Status  
Category

```
graph BT; A[tesseract_common::GeneralStatusCategory] --> B[tesseract_common::StatusCategory];
```

The diagram illustrates an inheritance relationship between two classes. A light gray box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the base class to the derived class, indicating that the derived class inherits from the base class.
