

tesseract\_visualization  
/include/tesseract\_visualization  
/ignition/entity\_manager.h

```
graph TD; A["tesseract_visualization  
/include/tesseract_visualization  
/ignition/entity_manager.h"] --> B["tesseract_common/macros.h"]; A --> C["string"]; A --> D["unordered_map"];
```

The diagram illustrates the dependencies of the header file `tesseract_visualization/include/tesseract_visualization/ignition/entity_manager.h`. It is represented by a gray box at the top. Three blue arrows point from this box to three separate boxes below it: `tesseract_common/macros.h` (a white box with a black border), `string` (a light gray box), and `unordered_map` (a light gray box).
